## **QUEEN OF THE MISSION FOR THE NEWEST TIMES**

Grant us the spirit of conversion,  
that we may be your instruments

## **MY CONVERSION , FOR THE CROWN AND THE MISSION**

Dear Blessed Mother,  
with Father Kentenich we want to be  
a sign of Hope,  
because we believe that God directs history  
according to a plan of Love.

With you we accept the challenge  
of conversion that the times require of us.

We commit ourselves to collaborate,  
with who we are and what we have,  
to build a new world, more human,  
more fraternal, more united,  
and to be a Family in the midst  
of our people.

Dear Mother, please accept this crown.  
With it we offer our helplessness,  
our trust and our collaboration. (Amen).
